

Richmond Primary School R-7 Site Improvement Plan

Richmond Primary School is a proud South Australian Government school providing quality education for children from Reception to Year 7.

Located close to the city, the school is a vibrant learning community. Richmond Primary School is known for its excellent programs, cultural diversity, up to date facilities, beautiful grounds and friendly, engaged students.

At Richmond our students are supported to learn and grow in a caring family atmosphere as we develop their skills to become active, articulate citizens of the world.

Vision

To support our students
To become active articulate
Citizens of the world

Values

Learning
Caring
Friendly
Safe
