

School Improvement Plan 2019

Summary overview

Richmond Primary School

Increase student achievement in writing Year 5-7

If we have a common approach to the development and explicit teaching of "7 steps" program, combined with functional grammar/genre approach, we will increase the percentage of students achieving growth in writing in Year 5-7

Increase student achievement in reading R-Year 2

If we have a consistent approach to providing all the Big 6 components of reading utilizing a range of text types and high quality literature then we will increase the percentage of students achieving reading benchmarks.

Increase achievement of students in the higher achievements range in numeracy R- Year 7

If we have a consistent approach to providing the Big 6 components of numeracy; utilizing a range of high yield strategies then we will increase the percentage of students achieving numeracy benchmarks R – Year 7
