## WELCOME

Dear families,

Welcome back! It is an exciting time for all of our staff, students and community as we continue to create engaging, relevant and successful teaching and learning opportunities.

A special welcome to our Reception students and new students/families who are attending Richmond Primary for the first time this week. Our enrolments continue to grow and we start 2021 with 15 mainstream classes and 3 Intensive English Language Program (IELP) classes.

We welcome new staff; Rebecca Martin, Year 5, Emma de Cure, Year 3, and Tracey Hamden, assisting with finance/administration, and we welcome back Voula Karahalios and Soula Anthony, IELP classes, and Louise Cielens, Year 3, team teaching 2 days a week.

As a community, we are committed to learning. Learning is for everyone whether we are a student, teacher, staff or parent. All staff have spent much time prior to this week to prepare relevant learning experiences and school processes that support, engage and challenge our students.

There is always much to consider. We continue to look for ways to address and promote growth in any areas requiring improvement. Our school data, values, recommendations, agreements, parent feedback, department priorities and improvement goals guide us.

This year is the final year that Year 7 students will be attending primary school; Year 7 is transitioning to secondary schools in 2022. Next week our 3 classes of Year 6/7 students will enjoy Aquatics, a water safety program to support students to become confident and to develop skills to remain safe in aquatic environments. We also have a Year 6/7 camp to Aldinga planned in Week 7, exciting times ahead!

New footpaths and housing continue to transform Surrey Road. Please be reminded of safe driving practices at pick up/drop off. No U-turns please, we need predictable vehicle directions for child safety and efficient flow of traffic for all drivers.

As always, I look forward to working alongside our school community once again as we continue to strive for ways to improve all student learning outcomes at Richmond Primary School.

*"I just couldn't wait to get to back to school" Krishiv, Year 3*

Kind regards, Ella.

## TERM 1 – COVID UPDATE 2021

Acquaintance Night combined with parent teacher interviews.

Thank you to all members of our school community who have helped us to stay safe during the COVID-19 pandemic.

While there is currently no community transmission of COVID-19 in South Australia, it is important we continue to follow the advice from SA Health and Directions set by SAPOL. To help minimise risk at our school we have been provided with a COVID-19 site safety plan, QR codes for Richmond PS (which will be activated later this term), and two touch-free hand sanitiser stations for adult use, near to the staff room and front office. Additionally, increased cleaning at our school will continue.

All adults on site must continue to physical distance wherever possible, including at school pick up and drop off.

After much consideration and discussion as a staff, we have decided to combine our traditional Acquaintance Night with parent teacher interviews this year. In this way, we can confidently manage and record adult attendees, adhering to COVID recommendations and requirements.

**Parent interviews will be earlier this year, occurring during Term 1, Week 5 and 6, (Feb 22- March 5).** These interviews are designed for teachers and parents to meet and share information about each child/student. This may include previous data sets, recent work samples and general conversations about progress, interests and areas for development. This may also be a chance to clarify routines, communication processes and expectations.

Interviews are of 15-minute duration and can be face to face, via Teams meeting (online) or by phone conversation.

**A link to book your child's/children's interviews will be sent to you via seesaw, skool bag and school newsletter in the coming weeks.**

Prior to interviews your child's 2021 classroom information will be communicated via handouts, Seesaw or Teams, whichever is most applicable to each classroom setting.

We thank you for your understanding and continued support throughout this complicated time.

## PUPIL FREE DAY WEDNESDAY 20<sup>TH</sup> JANUARY 2021

Much was accomplished last week, both preparing our classrooms and engaging in professional learning. Our teaching staff are dedicated and committed to providing high quality teaching and learning programs for every student in every classroom. Last week, we focussed on;

**Formative Assessment** The goal of formative assessment is to monitor student learning to provide ongoing feedback that can be used by teachers to improve their teaching and by students to improve their learning. More specifically, formative assessments: help students identify their strengths and weaknesses and target areas that need work.

**School Improvement Plan 2021**, reading, writing and number sense. We discussed target reviews, goals, challenge of practice and consistency of pedagogy/program.

Consideration of **Literacy and Numeracy 2021 whole school agreements**, focusing on descriptions of current RPS practice at each year level.

**Social Emotional Learning**, our whole school agreement, school values, circle solutions, consistency in terms of addressing student behaviour.

**Data informed practices**. Staff sharing student information and discussing data informed best practice.

## FRUIT FLY RESTRICTIONS FOR RPS COMMUNITY

If you live in a fruit fly outbreak or suspension area, host fruit and fruiting vegetables purchased from a retail outlet must be kept secure when taken home – this means in a sealed bag or container – and it must then remain at home.

- This means host fruit and fruiting vegetables must not be included in lunch boxes or otherwise moved around.
- You'll need to consider alternatives for lunch boxes, like non-fruit fly host vegetables such as carrots, celery, cucumbers and lettuce, or cooked fruit, processed fruit (such as fruit straps), fruit puree, canned fruit or frozen fruit. These restrictions only apply to fruit fly host produce – find the full list at [pir.sa.gov.au/fruitfly-produce](http://pir.sa.gov.au/fruitfly-produce)

If we all play our part we can quickly eradicate this pest from our area.

## JOHN, OUR GROUND PERSON

John, our much loved ground person, is retiring from Richmond Primary in the coming weeks in order to spend more time enjoying things like trail and bush walking.

John has worked at RPS since October 2011 and he says he has enjoyed dealing with a consistently great group of people.

John has been extremely versatile, accommodating and able to share his generous sense of humour with many of us. We will miss working alongside John and send our collective best wishes for his new adventures ahead.

## HATS

**Students are required to wear a hat** whenever they are involved in outdoor lessons, and at recess and lunch play times. At Richmond PS we have a "No hat, no play" agreement, students without hats are asked to sit in the shade at break times.

With so many hats at our school, it is important to write your child's name on their hat, to assist with a safe return or to be found in our lost property collection (outside our front office)
