Term 1, End of Week 6 Roundup

Parent Teacher Interviews are coming up over the next two weeks. Bookings close at 4pm on Thursday 10th March. If you missed this window, please contact your child's teacher. We ask you to sign in (sign on sheet) at your interview and wait outside the classroom. Please wear a mask whilst indoors and socially distance throughout your interview.

The RAA Street Smart program was attended by 5 classes last Friday and another 5 classes will attend this Friday. They are sharing fantastic safety messages for our students.

Our MiniLit Intervention program has started this week, with students participating with SSOs in small groups.

We appreciate everyone keeping students home when they are unwell, testing for Covid and informing the school of any updates. This helps us to ensure we keep everyone safe and informed. Any students who are classroom contacts will receive a letter on See Saw via their class teacher and all families are being notified via a letter on Skoolbag. Details and instructions to follow are outlined on the notes. We are trying to minimise extra adults on site and congestion in peak times and appreciate all those adults who have made arrangements to meet their children at the gate and who are wearing masks around the school.

We wish everyone a safe long weekend and look forward to seeing everyone back at school next Tuesday.
