Term 1, End of Week 9 Roundup

Governing Council on Monday night was very productive. We thank our Governing Council members for their attendance and contributions.

We thank everyone who is following the parking and drop off signs and zones around the school. To keep our students safe. The council are visiting on occasion to ensure everyone is doing the right thing, and following up on those who are not. The teacher on duty at the crossing on Surrey Road monitors students on the crossing with the help of the monitors and also watches students being dropped off and picked up. We encourage safe practices for all.

Only two weeks remain until the end of the term. You will note the dates for the end of term 1 and the beginning of term 2 in the "Upcoming events" section. A Pupil Free Day has been booked for Monday 16th May (week 3) for staff to undertake training and development.

We once again thank everyone for keeping home students who are unwell and for those who are contacting the front office to report positive Covid cases. This information is really important, so we can trace and monitor cases within the school. It is important that we talk to you as there is important information we need to collect. Stay safe everyone!
