### Term 2, End of Week 5 Roundup

We mark the half way point of the term. Winter has definitely started, with the cold weather, wind and rain. We thank everyone for taking extra care around the school, driving to ensure the safety of all of the community.

We are very pleased for our school to be hosting a COVID Vaccination Clinic for the community. There will be four dates that community members can come to the school and attend the clinic for vaccinations provided by SA Health. Dates and times are

- Friday 10 June from 12 – 5pm
- Saturday 11 June from 10am – 4:30pm
- Friday 5<sup>th</sup> August from 12 – 5pm
- Saturday 6<sup>th</sup> August from 10am – 4:30pm.

We support SA Health in trying to keep everyone safe by providing this service. Pamphlets and information is located at the front of the school.

The lost property basket is rather full (and overflowing) at the moment. Please ensure that all school jumpers and other items are named, so they can find their way back to their owners.

We have been slowly making improvements and addressing maintenance issues around the school. You may have noticed the grounds looking great, some classrooms were painted last term and we have had some additions of storage (bag racks, cupboards) and new table tops in a classroom. We will continue to work on these improvements as the year progresses. We also have a new class set of laptops.

We are still experiencing sickness with both Covid and other bugs (colds, flus and viruses). Please continue to keep us informed and keep hygiene as a focus.
