Term 2, End of Week 6 Roundup

We are over the half way point of the term. It is definitely proving to be another busy term and winter has set in.

Last week we had two excursions. R1A and 01D visited the Botanic Gardens last Thursday. 23E and 03T visited the Adelaide Zoo last Friday. Both excursions offered lots of new learning for the students and enabled them to make connections to the real world. We thank all the parent helpers, without you excursions would not be possible.

We remind everyone that the school is hosting a Covid Vaccination Clinic tomorrow and Saturday. This is a great opportunity within the community to get vaccinated and keep your vaccinations up to date. Pamphlets are available at the front of the school for more information. Everyone is welcome. SA Health will be offering this service again in August.

We are seeking families to enrol their Reception students who are siblings or live in the area for 2023. Please contact the front office for further information.

Information regarding competitions will be distributed as they arise. We currently have the Australian Maths Trust registrations. The ICAS Maths, Science and English information is coming soon, so keep an eye out!

We continue to thank families for their communication regarding student absences (sickness, Covid positive cases, etc).

The lost property is growing. If your child has come home without a jumper, it may be worth having a look in lost property. Please name all of your child's uniform, that way it has a better chance of finding its way back to the owner.

We wish everyone a safe and enjoyable long weekend.
