Term 4, End of Week 5 Roundup

Pupil Free Day

Teachers undertook Professional Development on Friday 11th November. They looked at the school's Site Improvement Plan (with a focus on reading and numeracy), as well as reviewing some of our whole school processes and agreements. Ben Simmons, our Regional Behaviour Coach ran a session on Collaborative Problem Solving, which was most informative, giving staff strategies to work more effectively with students.

2023 Reception Transition

The 2023 Receptions will be visiting over the next three Wednesdays for transition.

School Crossing

Thank you to the families who are using the crossing and being positive role models for keeping safe. We all need to work together to develop safe behaviours for our students and school community.

Assembly

We have two assemblies for the students tomorrow (Friday) where a number of certificates and awards will be presented. These include the Australian Maths Competition and ICAS. So as not to ruin the surprise, outcomes of these will be out in next week's Round Up.

2024 Year 7 Ignite Program at Glenunga International High School

There is an Ignite Information Evening at Glenunga International High School for Gifted and Talented students on Tuesday 6 December from 6:30 – 7:30pm. This is for students who will be in Year 7 in 2024 who may wish to apply for the program. Please visit their website for more information.

Health information

There is a lot of illness at the moment – colds, flus, viruses as well as Covid. If your child is unwell, please keep them home to stop the spread of any illness. This is particularly relevant for cold and flu like symptoms as South Australia seems to be experiencing another wave of Covid.
