2023 Term 1, End of Week 1 Roundup

Welcome back

We welcome back all families to the start of another school year. Our Receptions and all the new students (in various year levels) have all settled in well, as well as our returning students. All classes are off to a great start. We look forward to all the learning that will be happening throughout 2023.

Staffing update

We welcome a few new staff members to Richmond this year - Manjeet Viridi (Science 1/2 - 5/6), Lee Adams – The Arts, Rebecca Martin – 5/6M on Wednesdays.

We welcome back all of our staff, noting there have been a few role changes. Gail Glasper is teaching the year 4/5 class, Elise Mabbott is teaching year 3/4, Louise Cielens is sharing 04D with Debbie Linke.

At the end of 2022, we said farewell to Donna Thomas. We are in the process of filling the Business Manager's position

Minister for Education & Premier's visit

On Wednesday morning the school was buzzing. We had the Premier here to encourage the Premier's Reading Challenge and the Minister for Education to launch the roll out of the Autism Inclusion Teachers across the state. There was quite a lot of media coverage.

Upcoming events

Please keep an eye on the section to the right for events that are coming up within the school.

Parent information Night

The Richmond Primary School Parent Information Night is next Tuesday. Prior to Covid, we had Information Nights or Acquaintance Nights at the beginning of the year. The purpose of the Parent Information Night is to meet the teacher and to hear about the expectations for learning for the year. It would be most beneficial if at least one parent from each family could attend. As per the flyer, supervision of your child/children is to be made offsite. This event is for the adults!

People's Choice Lottery

Richmond Primary has signed up to the People's choice lottery as a fund raiser. All money raised is returned to the school. The entire two dollars from every ticket sold is given to the school. The prize pool is over \$300 000. Money raised is being used to buy musical instruments to support the instrumental music program that is offered to all students in years 5 and 6. This will enable the school to keep the cost of hiring instruments affordable for parents well into the future.
