2023 Term 1, End of Week 5 Roundup

This week brings us to almost half way through the term. While we are 5 weeks in and there are 6 weeks left, we also have a number of Public Holidays coming up. All classes are well into their learning programs, which is great to see.

NAPLAN National Co-ordinated Practice Test

On Tuesday our Year 3 students participated in the NAPLAN National Co-ordinated Practice Test. This was to ensure that all processes and systems are in place across Australia. Students who participated were not identifiable and no results will be given. It was a good opportunity for our students to have a go and get more familiar with the test format.

Parent Teacher Interviews

The Online booking system closes at 4pm today. If you have missed out on making a booking, please contact your child's teacher directly to make a time.

Extra-Curricular Activities

Instrumental Music and Festival of Music Choir have all started. Whilst they are in the early stages, the students are all applying themselves to learn the words, music and are practising hard.

Traffic and Road Crossing

We continue to thank all those who are following the safety and road rules around the school and are being good role models for the students. Crossing the road using the crossing is safety for all (pedestrians and drivers, as this is where you expect to see people) – it also assists the crossing monitors to do their jobs correctly and effectively.

Fundraising – Hot Cross Buns

The Governing Council are currently running a Hot Cross Bun fundraiser for the school through Bakers' Delight. Please order and pay via the QkR app.
