### 2023 Term 2, End of Week 6 Roundup

#### Australian Maths Competition (AMC)

Information regarding the Australian Maths Competition has been posted on Audiri. The competitions are in Term 3 and are available for Years 3 – 6 students. Payments and consents are through the school.

#### R1A & 01D Excursion

The weather was certainly beautiful for the R1A and 01D excursion to the Botanic Gardens on Tuesday. The students had an amazing time, brought back some vegetables and were exhausted when they returned. If your child / children are in those classes, refer to their SeeSaw to see what they got up to.

#### Pupil Free Day – Tuesday 13<sup>th</sup> June

The Pupil Free Day is next Tuesday. While there is no school for students, the teachers will be involved in professional development all day. Please contact OSHC directly if you need to arrange care for your child/children.

#### Nut Aware Policy

Please be reminded that we are a Nut Aware School. We have this policy in place to ensure safety for all of our students and the community. Please do not send any food that contains nuts to school for your child's snack, recess or lunch. We thank everyone for your co-operation and for contributing to the safety of all. You can read our policy in full on our school website.

#### Facebook Page

Richmond Primary School now has an official Facebook Page. It can be found by using this link [Richmond Primary School | Facebook](#) or searching for "Richmond Primary School Keswick" on Facebook. If this link does not work, please be aware that there are 2 different Facebook pages – our official page has the school logo, was created in 2023 and has the first post about chess. Our Facebook page is where we share what is happening at the school through photos.

Have a lovely long weekend everyone and we will see you back at school next Wednesday.
