2023 Term 4, End of Week 2 Roundup

R - 5 Swimming

Swimming week is almost over. It has certainly been a big week for everyone involved. We appreciate the support of all families with getting children organised for swimming each day. We know it can be a challenge getting everything dry! We also thank everyone for their patience with the bus schedule, which has been challenging with some buses arriving back late. We will soon be sending out a link to a survey where you can give feedback on the week.

Street Library – Surrey Road

We now have a 'Street Library' installed on the wall outside the gates on Surrey Road. Anyone can donate books to the Street Library and take any books that you want from inside, to borrow or keep. You do not need to write down what you take or leave.

You can find out more about Street Libraries here:

<https://streetlibrary.org.au/what-is-a-street-library/>

Uniform Donations

We are currently seeking donations of used school uniforms for our end of term second-hand clothing stall. If you have unneeded school clothing items (branded and unbranded) that you would like to donate, they will be gratefully accepted at the front office.

Lost Property

The second-hand stall will also include any unclaimed and unlabelled Lost Property items, so please make sure to check through the Lost Property stand to claim any lost items. If small and/or valuable items such as jewellery are missing, parents should check at the front desk to claim.

End of Year

As we near the end of the year, if you have any outstanding payments owed to the school, please contact the Finance Office or pay on the Qkr! app.

If your child will be changing schools and leaving RPS at the end of the year, please contact the front desk to let us know. (It is not necessary to inform us about Year 6 students who will be entering High School, as we already have this information.)
