### 2023 Term 4, End of Week 5 Roundup

#### Pupil Free Day

The staff had a very productive day of Professional Development last Friday. Bobbie Cameron (Curriculum Lead) ran a session on writing and planning from data. We also then reviewed and adapted some of our whole school approaches, including our Assessment Schedule, Literacy Approach, Reading Spine, SIP and future training possibilities.

#### Students arriving at school

The school yard is open from 8:30 - 8:50am each morning. Students are welcome to play in the yard during this time as we have supervision in the yard. Should your child need to arrive earlier than 8:30, please book them into OSHC.

#### Reception Transition

On Wednesday we started our 2024 Reception Transition program. This transition program runs for 3 weeks each Wednesday, lengthening the time of visits. It was lovely to see all the new faces that will be joining us in 2024.

#### Finance matters

Please ensure you have paid for all outstanding school fees, excursion fees, etc as soon as possible. If you are having difficulties, please talk to the Finance Office.

#### Awards

We celebrated a very large number of awards at our assembly today. These included the Australian Maths Competition, ICAS Science and ICAS Maths. We had an amazing number of outstanding achievements including two medal winners for ICAS. Hao Hao in Year 4 won an ICAS medal in Science and Sam in Year 6 won an ICAS medal in Mathematics. A huge congratulations to all students and a special congratulations to both of our medal winners.
