2024 Term 2, End of Week 3 Roundup

Pupil Free Day

Staff were involved in a day of professional learning on Monday 13th May – our Pupil Free Day. Lou Bradshaw ran sessions on LEAP Levelling and Bobbie Cameron ran sessions on the Crafts of Writing and using non-fiction mentor texts. It was a very valuable day and we appreciate the time to undertake this relevant training.

Soccer

The soccer season started last Saturday. It is fantastic that almost a third of our school are involved.

Bike Ed – Year 5 & 6

We have had four sessions out of the six for Bike Education with the Year 5 and 6 students. The first three sessions were in the yard, to help students develop their skills. Wednesday was the first “on road” session for students with an appropriate skill level, with two more to go. It has been a fantastic opportunity for students.

People's Choice Lottery

It is great to see the amount that has been raised is growing. We are up to over \$1500 so far. Money raised will be used to buy musical instruments for the students to use. Please encourage friends and family to support our school.

Student sickness & Covid

As winter approaches and the cold weather sets in, many people get sick. If your child is unwell, please keep them home and notify the school through the absentee text number on 0429 608 791.

Should your child contract Covid, the day they test positive is counted as Day 0. DfE requires them to stay home for 5 more days after testing positive. If your child tests positive, please notify the school, so we can follow correct procedures. We appreciate your support with this.
