2024 Term 4, End of Week 1 Roundup

Welcome back everyone. Term 4 is already upon us and is packed full. Remember to keep an eye on the Upcoming Events section for things to be aware of.

Late Arrivals and Early Departures

Please be reminded that all students who arrive after the bell **MUST** be signed in through the front office. The same process is also expected if you are collecting your child prior to the end of day bell.

2025 Planning

We are already well into planning for next year. It is really important that we have the correct information for planning purposes. If you are moving and will not be returning to Richmond Primary School in 2025, please notify the school in writing via dl.0381.info@schools.sa.edu.au

Class Placement Process for 2025

The 2025 Class Placement Process is beginning. This is a very complex process with many factors taken into consideration when placing students in classes. We do not accept requests for specific teachers. If your child has any specific learning needs that you feel need to be addressed, please contact the school in writing via dl.0381.info@schools.sa.edu.au or contact leadership in writing/via email also.

Swimming

A reminder note was sent out to all families earlier this week. Volunteers also received some extra information. Just a reminder that no photographs can be taken of children at the swim centre. This is to protect the safety of all students.

Staff Car Park

Please be reminded that the staff car park is for staff use only between 7:15am and 3:15pm. Student safety is our key focus - using this area to turn around, reverse and drive through is not permitted. There will be a chain in place across the driveway for student safety.

Excursion

On Wednesday the Year 2s attended an excursion to Wonderverse. The Year 5/6 classes also attended this excursion and went to the Botanical Gardens as well. Please see your class Seesaw page for photos and more information.
