2024 Term 4, End of Week 2 Roundup

The term is already flying by. It is hard to believe that almost two weeks have passed already. You would have seen your class newsletters outlining what is planned for each classroom this term. There are some amazing learning opportunities and lots to look forward to.

Swimming

Swimming week has been fantastic, with only one more day to go. Students have been having a great time learning water safety skills. We thank all of our volunteers for helping out, as without them the program could not have gone ahead. We really appreciate volunteers giving up their time and coming along.

Yard redevelopment

On Monday more redevelopment works will start to occur in the yard. The asphalt area is being redone. It will be given a new topcoat and some colour. Our students have been doing an amazing job with restrictions in the yard, it has been and will continue to be worthwhile.

Year 5/6 Enterprise Education

The Year 5/6 Carnival Day to celebrate their learning of Enterprise Education will be on the day and prior to the start of the End of Year Concert. Families will have the opportunity to participate in activities and purchase items.

Crossing, traffic and parking

We thank everyone who is following the instructions from the Road Crossing monitors, following the parking signs and being safe around the school. It is important we all contribute to keeping everyone in the school and community safe.

UPCOMING EVENTS
