### 2024 Term 3, End of Week 6 Roundup

#### Reception Transition

On Wednesday we had our second Reception Transition visit. This week they stayed until 10:30am. They are all settling in well and getting used to the new school environment. Next week is their last visit, staying until after recess, before starting school in 2025.

#### Traffic and Car Parking around the school

We appreciate the many parents and community members who follow the correct procedures for parking, drop offs and using the road crossing. Unfortunately we have had some very close calls lately. Please ensure you use the designated crossing to cross the road with the monitors and adult supervision and pick up children next to the kerb. It is about safety for all.

#### Upcoming Events

Please refer to the Upcoming Events section (in red) to keep up to date with what is going on around the school. Next week looks to be a very busy one, with lots going on.

#### Yard Redevelopment

The asphalt is in the final stages and soon the fences will come down. The area has been resurfaced and the new courts are marked. The area looks fantastic and we cannot wait for the children to start playing on it. What an amazing year for improving the yard.

#### OSHC & Vacation Care

If you would like to book your child / children in for before school care, after school care or vacation care during the school holidays, please book directly with OSHC via the Spike app.
