### 2025 Term 1, End of Week 2 Roundup

#### Road Crossing Training

Last Friday, all the year 5 and 6 students participated in Road Crossing Training run by the South Australian Police. Students were trained to use the equipment and the crossing to ensure safety for pedestrians. Please ensure you follow their instructions when crossing the road, use the designated crossing and while driving, follow the "Stop" and "Children Crossing" signs.

#### Parent Information Night

It was so lovely to see the school buzzing on Tuesday Night for our Parent Information Night. Nights such as these are so important for everyone. It was a real community feel. Thank you to everyone who came along and to the teachers for their presentations.

#### Governing Council AGM

The Governing Council AGM will be held next Tuesday at 6pm in the staffroom for anyone who would like to come along. At this meeting the 2025 Richmond Primary School Governing Council will be elected.

#### Lost property

We have a new location for lost property. The hanger and basket will now be located just outside the entrance to the hall in the alcove between the hall and the STEM room. Please make sure all of your child's / children's belongings are named to avoid being lost and ending up in lost property.

#### Parking and driving around the school

Please ensure you follow the parking signs around the school. Also please respect our neighbours by not parking across driveways or doing unnecessary turns in their driveways when students are using the footpaths. We want to ensure everyone's safety.
